	<i>Own Goals</i>					2							2

The appearance figures for each player in each league should be considered as a minimum, given that it was not possible to identify the complete line-ups for four matches in the SL (7 apps), four matches in the LL (24 apps) and one match in the SEL (7 apps), with the result that 38 appearances are not included

**Rouse has one additional league appearance - see the match grid for the Southern League**
